To the editor:

I want to thank the community for their support of our fire levy lid lift in the November general election. Because of you, we will fund additional firefighters, replace an ambulance and firefighter equipment, and renovate our fire station to increase 24-hour emergency response coverage.

We're grateful our community sees the value of fire and emergency medical service. We will report back to you as we make progress on the projects we promised.

Thank you for partnering with us to save lives and property.

Fire Chief Ed Tjeerdsma
